

TABLE OF CONTENTS

Particle Swarm Optimization in Linear Optimization Problems

Nuria Gómez Blas, Luis Fernando de Mingo López, Juan Castellanos Peñuela	203
--	-----

Isomorphism of Predicate Formulas in Artificial Intelligence Problems

Tatiana Kosovskaya	221
--------------------------	-----

Detecting Communities from Networks: Comparison of Algorithms on Real and Synthetic Networks

Karen Mkhitarian, Josiane Mothe, Mariam Haroutunian	231
---	-----

Minimal and Maximal Models in Reinforcement Learning

Dimiter Dobrev	268
----------------------	-----

Developing Enterprise Financial Sustainability and Bankruptcy Forecasting Model in Specific Economic-Mathematical Environment Using Simulation Method

Tea Munjishvili	285
-----------------------	-----

Table of contents	300
-------------------------	-----
